

Well Deserved

The Praise That Comes from Thankful Barre People.

One kidney remedy never fails. Barre people rely upon it. That remedy is Doan's Kidney Pills. Barre testimony proves it always reliable.

Mrs. Frank Jones, 106 South Main street, Barre, Vt., says: "About five years ago, when living in Worcester, I began to suffer from kidney trouble and had such terrible pains in my back at times that I could hardly get about. If I arose too quickly after stooping, sharp twinges darted through my hips and I often had severe attacks of dizziness. It was impossible for me to sleep well, and during the day I felt tired and worn out. Being advised to try Doan's Kidney Pills, I did so, although I had not much faith in them. After using them a few days, I found that they were helping me, and I continued taking them until the pains in my back had entirely disappeared. The other symptoms of my trouble were also greatly relieved and I felt better in every way."

The above statement was given by Mrs. Jones on November 10, 1905, and on October 1, 1908, Mrs. Jones added the following: "I still keep Doan's Kidney Pills in the house and use them when in need of a kidney remedy, always with the best of results. I am glad to re-endorse Doan's Kidney Pills, in return for what they have done for me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
